

Welcome Message

Welcome to Ruhkala Elementary School. We are very proud of our new school, Home of the Quarry Cats! The Rocklin Unified School District and Ruhkala Elementary School staff are dedicated to providing the best possible, well-rounded education for your children. It is our desire and goal to establish and maintain communication between home and school that is open and effective. Our web page has been prepared to answer many of the questions that arise about our school.

I encourage all parents to become actively involved with your child's reading and learning. Additionally, please support our Parent Teacher Club as a volunteer or a board member.

Please don't hesitate to call or email me or your child's teacher if you have any questions or concerns regarding school.

Sincerely,

Gary C. Yee
Principal
